The Martin Public Seating Difference...

ABOUT MARTIN PUBLIC SEATING

Martin Public Seating is a leading provider of collaborative solutions in K-12 and higher education facilities throughout Ohio. We are pleased to launch our expansion into Southern California with our new Martin Public Seating West dealership.

You'll find Martin Public Seating solutions in every area of the learning environment - from classrooms, auditoriums, and computer labs to your media centers, cafeteria, food courts and staff lounges. At the end of the day, we proudly offer solutions that create collaborative environments for your staff and students which enhance learning and the achievement of your organization's educational goals.

Martin Public Seating was founded in 1976, and acquired in 2014 by UnitedForGrowth. Martin Public Seating has grown into one of the largest privately-held educational furniture, fixture and equipment distributors in the Ohio Valley. With our new dealership headquartered in Southern California's Inland Empire, Martin Public Seating offers professional account executives, expert interior designers, highly experienced project managers, and "white-glove" delivery teams to serve your facility needs. We pride ourselves in our product knowledge and our focus on delivering personalized customer service.

Martin Public Seating offers expert education infrastructure guidance to help transform your university, college, district, or school into a world-class 21st century learning environment.

Martin Public Seating's staff are ready to help you create the environment for your students which you have always wanted to provide for their future. Why? Because we believe in the power of listening to our customers and matching their goals with world-class suppliers, backed by professional service.

Sincerely,

Mark C. Lewis
United For Growth
CEO/President

Martin Public Seating West offers distinct expertise in designing social dining spaces and media centers to increase student participation; updating your locker systems, and restrooms providing a clean, modern infrastructure for your facilities; and the design and installation of state-of-the art auditorium and lecture halls to create an educational environment that supports the implementation of your curriculum and learning initiatives.

Our dedicated account executives make it their business to understand your goals, then match solutions to achieve your goals while keeping an eye on your budget and schedules. Martin Public Seating has successfully served the needs of K-12 and higher education facilities for well over forty years, gaining a reputation of representing quality products and delivering outstanding service to our customers...but we don't stop there.

Martin Public Seating West's professional staff can assist you with a range of services including design support, furniture selection consulting, installation, and on-going life cycle support.

- Engage with the leader in complete solutions for the K-12 and higher education markets.
- Take advantage of a one-stop shop for all your facility needs - we are more than furniture - we can upgrade your restrooms, lockers, visual display products, and much more.
- Benefit from our long-standing relationships with industry leading manufacturers - we represent only the best of the best.
- Enjoy streamlined procurement by leveraging our group purchasing contract expertise.

Extensive Experience, Quality Product Offerings and Commitment to Delivering First Class Service

palmer HAMILTON
pH Design

Innovative Dining and Media Center Furnishings

Palmer Hamilton provides smart, versatile and beautiful furnishing solutions to K-12, higher education, commercial markets and libraries. Palmer Hamilton began manufacturing high quality cafeteria tables for schools more than 70 years ago and quickly became the industry leader in innovation, selection and service. Soon we made the natural transition to the higher education, commercial markets and libraries, bringing our expertise in creating exceptional dining, library and social environments to colleges, universities and commercial facilities.

sediasystems 

Unique. Custom. Innovative.

As the leading global manufacturer of lecture hall and auditorium furniture, Sedia Systems offers the widest range of fixed seating for the education, corporate, healthcare, government and public assembly markets. Our client centric approach and our extensive experience in this space help us deliver elegant and insightfully designed fixed seating solutions that exceed our customer's expectations. When you work with Sedia Systems you can be sure that we will deliver a space that is not only functional and efficient, but also beautiful.

Education, Commercial and Government Facilities

Martin Public Seating West offers turnkey solutions for new or replacement lockers, restroom and restroom accessories, and visual display products: whiteboards, corkboards, display cases, and related accessories.

We represent the leading locker, partition, and visual display manufacturers in the industry such as: ASI Storage Solutions, Hadrian Toilet Partitions & Lockers, Scranton Products, Accurate Partitions, Marsh Industries, and many other leading suppliers.

We have experienced, professional installation crews that can provide completed project and installation management regardless of the size of your project. For more information or to receive a competitive bid on lecture/auditorium fixed seating, dining area/library/media center furniture, locker, restroom and visual display solutions call Martin Public Seating West at (833) 850-3331.
